Yousef Abdelsalam Fathy

Back-End Web Developer · PHP & Laravel

yossfeabdaslm123@gmail.com | 01224888722 | El Obour, Cairo, Egypt

GitHub | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Backend developer with 2.5+ years of experience building scalable APIs and admin dashboards using PHP and Laravel. Proven track record delivering production applications across e-commerce, ride-hailing, home services, and EdTech domains. Comfortable working with mobile teams (iOS/Android), integrating real-time features via Firebase, and shipping clean, maintainable code following SOLID principles and MVC architecture.

PROFESSIONAL EXPERIENCE

Back-End Web Developer — evyX (Oct 2025 – Present · Full-time)

- Built and maintained RESTful APIs for iOS and Android mobile applications
- Developed and managed admin dashboards for real-time operations using Laravel and MySQL

Back-End Web Developer (Part-Time) — ApexMind (Aug 2024 – Present · Part-time)

- Supported API development and system dashboard features on a flexible engagement

Back-End Web Developer — ClintTrip (Sep 2024 – Sep 2025 · Full-time)

- Delivered mobile APIs and back-office dashboards using Laravel and MySQL

Back-End Web Developer — Moosavic (Feb 2025 – Jul 2025 · Full-time)

- Built RESTful APIs for iOS and Android using PHP/Laravel and MySQL
